

Lake Rules

We hope that all anglers and visitors will enjoy the natural beauty of our lake. We simply ask you to respect our rules and to respect the fish and surrounding area. The rules are based on common sense angling and they are there to ensure that our lake remains beautiful and the fish stock stays as healthy as possible.

General:

- ◆ Maximum 4 anglers at any one time
- ◆ Maximum 3 rods per angler
- ◆ No rods to be left unattended
- ◆ Children under 16 years must be accompanied by an adult at all times
- ◆ No fires or BBQs around the lake
- ◆ No swimming
- ◆ No drunken or abusive behaviour toward other anglers, the bailiff or local residents
- ◆ No litter - please use bins provided
- ◆ Always kneel when handling fish eg. for photographs
- ◆ In order to prevent injury to fish please remove watches, bracelets, rings and any sharp objects on clothing before handling fish.
- ◆ We prefer that you bring your own landing nets which we will disinfect prior to use. However these can be supplied by us on request at a small charge
- ◆ Weighing slings & unhooking mats will be supplied by us
- ◆ Equipment provided by us is for use in our lake only
- ◆ Some areas are not for fishing – please adhere to the no fishing signs
- ◆ The lake is very old and has some man made features, such as the dam and some stone banksides. Please do not scramble down steep banks to reach the lake

Fishing:

- No baits to be used other than those provided by us (pre-ordering is advisable)
- Barbless hooks only (no micro or flattened barbs)
- No nuts
- No fixed leads
- No live baiting
- No leadcore
- Minimum breaking strain line 12lbs
- No sacking of fish except for fish recovery period & no keep nets
- No braided mainline
- In an effort to ensure fish safety in the event of snapped mainline the bailiff may check your end tackle/rigs
